

Winter Ice Driving Experience

January 2025

EXPERIENCE THE WORLD'S BEST *Luxury Driving Holidays*

Ultimate Driving Tours evolved from my lifelong love of motoring. From a small idea, UDT became a passion project among like-minded friends. We found a select group of clients who shared our passions for travel, enjoying the finer things in life, and driving incredible cars in great company. It soon became apparent that we had found a winning formula.

But the roots of UDT's story begin much earlier than our first tour. For over twenty years, I have participated in, created, directed and owned motoring events, starting with a celebrated tarmac rally series. After seven years of growing the rally into a beloved Australia-wide motoring event, I turned my focus to the international arena, taking a group to motorsport mecca – the Nürburgring. This initial venture was perhaps a little more rough and ready than the refinement of our current tours, but it was the genesis of a beautiful journey.

Over the years, and with the help of our ever-growing global team, Ultimate Driving Tours has evolved into a renowned and award-winning luxury adventure travel business—the world's premier provider of extraordinary driving, motorsport and track experiences. From Europe to the Americas and Australasia, we now offer the most diverse and far-reaching selection of incredible motoring adventures, with all the elements of an unforgettable luxury travel experience.

Our experiences are designed to let you live out your bucket-list, however adventurous it may be. Whether you would prefer to experience a fleet of supercars on the world's best driving roads, watch the Grand Prix of Monaco from the plush seats of a superyacht, get behind the wheel of a real F1 car at a private track day, or dine with motorsport legends like Sir Jackie Stewart, our events cover all of motoring's must-do experiences.

Yet an Ultimate Driving Tour is about more than simply jumping in luxury cars and driving. Our experiences take you to stay in the finest boutique and experiential accommodation, dine in celebrated restaurants, and savour unique and exclusive lifestyle experiences. This may include a private tour of one of Europe's most prestigious vineyards and champagne maisons, or a chartered private jet, helicopter or yacht. The possibilities are endless.

We hope that you too will become one of our guests, and join us for the journey of a lifetime. After perusing this brochure, please don't hesitate to reach out to our team. We look forward to hearing from you and having you along.

To a life of adventure,

THE FLEET

The vehicles you will pilot

Our fleet includes a selection of incredible SUV's designed to complement the location and tour type. The final selection may vary depending on participant numbers and vehicle availability.

ASTON MARTIN DBX

This is Aston's first ever SUV and powered by a big twin-turbo Mercedes V8, it certainly has the performance to match the looks. It runs from 0-100 in just over 4 seconds and has that "Aston soundtrack" which is unrivalled.

BENTLEY BENTAYGA

Bentley is synonymous with style and sophistication, and it continues with its foray into the SUV world. The BB accelerates from 0-100 in around 4.5 seconds and has the right chassis to make this big SUV handle as well as it looks.

LAMBORGHINI URUS

Blisteringly quick acceleration, incredible cornering, and some "Lambo craziness" thrown in. The Urus is 650HP of pure Lamborghini, accelerating from 0-100 in 3.3 seconds. If there ever was a "Lamborghini of SUV's", the Urus is it.

MERCEDES G63 AMG

The "G-wagon" is famed for its offroad abilities and military applications, with the new series of G63 performing well on and off the road. Accelerating from 0-100 in around 4 seconds, the big G launches like a rocket, with excellent handling to match.

PORSCHE CAYENNE GTS

Unrivalled in terms of handling and performance, as well as offroad capabilities, the Cayenne GTS accelerates from 0-100 in around 4.5 seconds. It has a quality to it on the road which no other SUV can match.

ROLLS ROYCE CULLINAN

The big rolls is huge, powerful and graceful – but underneath lurks a hulking big V12 engine that wants to sing. It runs from 0-100 within around 4.5 seconds and is the brand's first SUV and 4WD vehicle, which are both amazing milestones.

FERRARI PUROSANGUE

Ferrari's first foray into SUV territory, and it is done in typical Ferrari style – fast, ferocious, and fearsome. The Purosangue will accelerate from 0-100 in 3.3 seconds and probably outperform most sports cars on a race circuit.

FREQUENTLY ASKED QUESTIONS

Below you will find a selection of common questions from our guests.
For any further queries, please speak with our Travel Concierge.

Which vehicles will be in the fleet?

Each tour is replete with a curated selection of latest release supercars. Your destination's driving conditions are considered alongside vehicle characteristics in order to provide the best possible experience. The number of cars in the convoy will depend on the number of guests, and is based on two guests per vehicle. Our average tour size is 16 people and 8 supercars. Over the course of the tour you have the opportunity to drive the entire fleet of cars, cycling in a set order through 2-3 cars each day. Professional instructors are always on hand to provide assistance as you change cars, and all cars are insured with a deductible in place.

How does the driving work?

The drive operates in a loose convoy, with a lead and sweep car (driven by professional drivers), and two-way radio contact between all vehicles. The lead car navigates for the convoy and provides updates on conditions, so drivers can focus on enjoying the cars and drive. The sweep car ensures no one becomes lost or separated from the group.

The drive per day is around 250km/155mi over 6-8 hours including regular stops for morning/afternoon tea, lunch, and driver/car changes.

What type of roads do we drive?

Our team has spent over a decade researching and testing the best roads in the world. All tours are planned so as to avoid heavily trafficked cities and seek out the freedom of the open road. The routes chosen for our tours cover a variety of road types that accentuate both the location and the tour type. You can expect to navigate tight switchbacks and hairpins on alpine passes, and then enjoy loose, flowing country backroads, and fast-paced autostradas. We always choose roads that are incredibly scenic, so whether you're behind the wheel or passengering for a section, you will find plenty to enjoy.

What type of guests join your tours?

Guests from around the world attend our tours. We typically host a mixture of groups of friends, families, business associates, and plenty of couples. While we do recommend sharing the experience with someone you know or as a group, we also cater for guests coming on their own. In this case, you will be partnered with another solo driver.

Ultimately, our tour groups are made up of like-minded people who share a passion for motoring, and enjoying the finer things in life. Many go on to keep in contact after the tour and often become life-long friends.

How does pricing work?

Your tour package is priced per person and is based on two people per vehicle. Typically the driving is shared between occupants, who alternate between being behind the wheel and being a passenger. In the case that one participant prefers not to drive, the other will be able to enjoy double the time behind the wheel, while the passenger can soak up the stunning scenery and excitement of riding along. If you are travelling as a solo driver, you will be paired with another solo driver in the vehicle. As outlined on [page 13-17](#), your Tour Investment consists of your Tour Package and any Optional Add-Ons.

Where do guests stay and dine?

Accommodation and dining is designed to complement your overall experience. Our team seeks out the most luxurious and unique hotels, which can include ornate castles, private villas, boutique resorts, and more. Dining is always a social affair, pairing gourmet cuisine with fine wine, over which the group can share stories and experiences.

Guests may stay as a collective, or diverge into smaller groups at nearby luxury hotels, commensurate with your selected package. Accommodation packages and upgrades dictate the hotel and room category.
