# EXPERIENCE THE WORLD'S BEST *Luxury Driving Holidays*

Ultimate Driving Tours evolved from my lifelong love of motoring. From a small idea, UDT became a passion project among like-minded friends. We found a select group of clients who shared our passions for travel, enjoying the finer things in life, and driving incredible cars in great company. It soon became apparent that we had found a winning formula.

But the roots of UDT's story begin much earlier than our first tour. For over twenty years, I have participated in, created, directed and owned motoring events, starting with a celebrated tarmac rally series. After seven years of growing the rally into a beloved Australia-wide motoring event, I turned my focus to the international arena, taking a group to motorsport mecca – the Nürburgring. This initial venture was perhaps a little more rough and ready than the refinement of our current tours, but it was the genesis of a beautiful journey.

Over the years, and with the help of our ever-growing global team, Ultimate Driving Tours has evolved into a renowned and award-winning luxury adventure travel business—the world's premier provider of extraordinary driving, motorsport and track experiences. From Europe to the Americas and Australasia, we now offer the most diverse and far-reaching selection of incredible motoring adventures, with all the elements of an unforgettable luxury travel experience.

Our experiences are designed to let you live out your bucket-list, however adventurous it may be. Whether you would prefer to experience a fleet of supercars on the world's best driving roads, watch the Grand Prix of Monaco from the plush seats of a superyacht, get behind the wheel of a real F1 car at a private track day, or dine with motorsport legends like Sir Jackie Stewart, our events cover all of motoring's must-do experiences.

Yet an Ultimate Driving Tour is about more than simply jumping in luxury cars and driving. Our experiences take you to stay in the finest boutique and experiential accommodation, dine in celebrated restaurants, and savour unique and exclusive lifestyle experiences. This may include a private tour of one of Europe's most prestigious vineyards and champagne maisons, or a chartered private jet, helicopter or yacht. The possibilities are endless.

We hope that you too will become one of our guests, and join us for the journey of a lifetime. After perusing this brochure, please don't hesitate to reach out to our team. We look forward to hearing from you and having you along.

To a life of adventure,

# OPTIONAL VIP WEEKEND AT GOODWOOD

Friday 11 – Sunday 13 July 2025

A bucket-list weekend awaits at the hallowed grounds of Goodwood, where each year motoring enthusiasts descend on the estate's 12,000 acres to celebrate their love of motoring.

Following your arrival into London, you can spend the afternoon settling into your plush English country manor accommodation. Enjoy some leisure time after arrival and check-in, before meeting the group for the first dinner of the event.

Saturday is an action-packed day at the Festival of Speed. Today's schedule includes incredible stunts, a diverse range of drivers and vehicles testing their mettle on the hillclimb, and some of motorsport's most famous faces.

It's also the day of the Library Lawn Garden Party, known for its upbeat and cordial atmosphere, and fantastic central location in the heart of the Duke and Duchess' private garden. It's the ideal spot from which to explore the Festival's many wonderful displays. Enjoy some of Britain's best hospitality and revel in one of the world's greatest car shows, and tomorrow you will do it all again—with an upscale twist.

On Sunday, it's time to settle into the most luxurious hospitality at the Festival—Clark Pavilion—as the hill climb action reaches its crescendo. The Pavilion offers incredible views of Molecomb Corner, one of the most dramatic sections of the hillclimb and a highlight of the Sunday Shootout.

The day is enhanced with gourmet catering and a premium bar including champagne.

For one or both days of your weekend at the Festival of Speed, you can choose to make an entrance—and skip the traffic—by opting for return helicopter transfers. Guests choosing this option will enjoy direct return charter flights between the hotel and Goodwood's grounds.

In the evenings, you'll make the most of your magnificent country residence, which includes a little downtime before dinner. On Monday, enjoy a lie-in and relaxed breakfast before departing for Zurich to commence your luxury supercar adventure.

## Accommodation and Dining

Your Goodwood weekend includes luxurious accommodation at South Lodge, a five-star historic manor nestled in parkland in the heart of West Sussex. This is the perfect location to rest and relax in the evenings after an exciting day.

Dining includes a mixture of both gastronomic and more laidback experiences. These will include dinner at the hotel's AA Rosette-awarded restaurant, The Camellia on your first evening. This is followed by a Saturday night visit to the Crabtree gastropub neighbouring South Lodge. South Lodge's relaxed fine-dining venue, Botanica, will host your final evening.

# A SUPERCAR TOUR OF THE SPECTACULAR SWISS ALPS

Monday 14 - Friday 18 July 2025

Arrive into Zurich on Monday to begin your Swiss touring adventure. Following check-in and time to relax, enjoy a welcome aperitif and a casual dinner with the group.

From Tuesday you'll spend the next four days behind the wheel of our fleet of latest-release supercars. Your carefully prepared route lets you experience Switzerland's most breathtaking and challenging alpine roads, including the famed trio of the Susten, Grimsel, and Furka passes.

The first of four epic drive days is a big one as you take on the stunning Entlebuch Biosphere. Experience breathtaking landscapes that include iconic passes such as Schallenberg, Grimsel and Furka before arriving in

the picturesque village of Andermatt. Grimsel Pass is perhaps the most scenic of the passes on today's drive. With jaw-dropping panoramas emerging around each corner, this is a free-flowing pass that allows you to take in the breathtaking views.

As you traverse Furka Pass, you'll alternate between tight hairpins and long sweepers. This incredible road with a fantastic smooth tarmac instils confidence behind the wheel. Immortalised in the classic Goldfinger chase scene in which James Bond's Aston Martin DB5 pursues a '65 Ford Mustang up the pass, Furka.

Your second drive day is a half-day, following a sweeping loop around Andermatt, the centre of the Swiss

Alps, to experience the San Gotthard, Lukmanier, and Oberalp passes. With a history dating back to the 13th century, Gotthard's modern route, built in 1830, was and continues to be a favourite among European driving enthusiasts and remains of historical importance. Gotthard brings out the best of a sports car with its many scything twists and turns.

Another road of historical importance, Lukmanier Pass, is known for its gently winding roads and breathtaking scenery. Dating back to when the Roman Empire used it as a trade route to allow the movement of supplies and troops between the provinces of Germany and Italy, it now offers tourists an enchanting mountain pass to savour the beauty of the Alps with ease.

Oberalp has a steep climb and a mixture of straights and hairpin turns. This pass is generally light on traffic and makes for an incredible drive with plenty of freedom.

On your third day of driving, you will depart Andermatt via a series of picturesque passes, starting with the majestic Nufenen Pass – the highest paved mountain pass in Switzerland. Your journey continues into the afternoon, where you'll traverse the historic Grimsel Pass and the scenic Susten Pass, before arriving at your five-star fairytale castle on the shores of Lake Lucerne.

Your fourth and final drive day is a memorable half-day journey, winding through the picturesque Brunig and Susten Passes, finishing your alpine odyssey in style.

In the afternoon, you will enjoy a delightful boat cruise on the shimmering waters of Lake Lucerne, followed by a final dinner as a group, enjoying a private dining experience with lakeside views.

## Accommodation and Dining

Your accommodation includes a selection of the most luxurious hotels in Europe, if not the world. Your first evening will be at the ornate Dolder Grand, perched high above Zurich with views of the city and lake below. Nights two and three will be at an ultra-luxe ski chalet in the middle of the Swiss Alps, The Chedi. Your final two nights will be on the shores of Lake Lucerne at the magnificent Park Hotel Vitznau.

Your dining experiences will include the award-winning Saltz, a private dining experience at The Chedi's The Wine Room, the Michelin-starred The Japanese Restaurant, and the Gault and Millau-awarded, The Grill.

# FREQUENTLY ASKED QUESTIONS

Below you will find a selection of common questions from our guests.  
For any further queries, please speak with our Travel Concierge.

### Which vehicles will be in the fleet?

Each tour is replete with a curated selection of latest release supercars. Your destination's driving conditions are considered alongside vehicle characteristics in order to provide the best possible experience. The number of cars in the convoy will depend on the number of guests, and is based on two guests per vehicle. Our average tour size is 16 people and 8 supercars. Over the course of the tour you have the opportunity to drive the entire fleet of cars, cycling in a set order through 2-3 cars each day. Professional instructors are always on hand to provide assistance as you change cars, and all cars are insured with a deductible in place.

### How does the driving work?

The drive operates in a loose convoy, with a lead and sweep car (driven by professional drivers), and two-way radio contact between all vehicles. The lead car navigates for the convoy and provides updates on conditions, so drivers can focus on enjoying the cars and drive. The sweep car ensures no one becomes lost or separated from the group.

The drive per day is around 250km/155mi over 6-8 hours including regular stops for morning/afternoon tea, lunch, and driver/car changes.

### What type of roads do we drive?

Our team has spent over a decade researching and testing the best roads in the world. All tours are planned so as to avoid heavily trafficked cities and seek out the freedom of the open road. The routes chosen for our tours cover a variety of road types that accentuate both the location and the tour type. You can expect to navigate tight switchbacks and hairpins on alpine passes, and then enjoy loose, flowing country backroads, and fast-paced autostradas. We always choose roads that are incredibly scenic, so whether you're behind the wheel or passengering for a section, you will find plenty to enjoy.

### What type of guests join your tours?

Guests from around the world attend our tours. We typically host a mixture of groups of friends, families, business associates, and plenty of couples. While we do recommend sharing the experience with someone you know or as a group, we also cater for guests coming on their own. In this case, you will be partnered with another solo driver.

Ultimately, our tour groups are made up of like-minded people who share a passion for motoring, and enjoying the finer things in life. Many go on to keep in contact after the tour and often become life-long friends.

### How does pricing work?

Your tour package is priced per person and is based on two people per vehicle. Typically the driving is shared between occupants, who alternate between being behind the wheel and being a passenger. In the case that one participant prefers not to drive, the other will be able to enjoy double the time behind the wheel, while the passenger can soak up the stunning scenery and excitement of riding along. If you are travelling as a solo driver, you will be paired with another solo driver in the vehicle. As outlined on [page 18-21](#), your Tour Investment consists of your Tour Package and any Optional Add-Ons.

### Where do guests stay and dine?

Accommodation and dining is designed to complement your overall experience. Our team seeks out the most luxurious and unique hotels, which can include ornate castles, private villas, boutique resorts, and more. Dining is always a social affair, pairing gourmet cuisine with fine wine, over which the group can share stories and experiences.

Guests may stay as a collective, or diverge into smaller groups at nearby luxury hotels, commensurate with your selected package. Accommodation packages and upgrades dictate the hotel and room category.
